

## **PROMIN REPORT - February, 2011**

How quickly time progresses! We are at the end of the Christmas Cycle, and before we realize, we will be into the Lenten Period. The New Year, 2011, is well on its way. May it bring everyone all things that are good. This is a significant year for our Association, as we honor our 85<sup>th</sup> anniversary, and we celebrate the 75<sup>th</sup> Anniversary of our Ukrainian Museum of Canada. As well, the 95<sup>th</sup> Anniversary of the Petro Mohyla Institute will be celebrated this year. The National CYC Convention takes place in Edmonton in August. As you see, it will be an exciting year, and we will be reporting on events as plans move along.

### **ART COMPETITION WINNERS**

We are pleased and proud to announce the winners of the Visual Arts Competition held in honor of the 50<sup>th</sup> Anniversary of Promin. There were three categories, with a prize of \$250 in each category.

Each entry was beautifully done, and will be featured in the Ukrainian media. We thank these young women for submitting their exceptional works of art, and we encourage them to continue developing their talent. We wish them much success, and look forward to seeing their work in the future.

### **CYC CONVENTION**

There is a change of date for the Convention. The new date is August 11 – 14, 2011. Please adjust your calendars, and make concrete plans to attend. Details will be forthcoming. We urge all branches to send delegates, as there will be important issues to discuss, make decisions, and vote on. Attendance at the Convention will assure that your ideas are heard.

Please note that the amendments to our Constitution will be mailed to all branches in May. Any branch with suggestions for changes to the Constitution should get them to us as soon as possible for inclusion in the document. These amendments will be discussed and voted on at the convention.

### **UKRAINIAN MUSEUM OF CANADA**

The official celebration of the 75<sup>th</sup> Anniversary of the museum will be held on Friday, September 23, 2011. Please mark this date on your calendar, and watch for details which will be announced. This celebration will be held in conjunction with the 95<sup>th</sup> Anniversary celebration of Petro Mohyla Institute in Saskatoon.

We encourage each UWAC Branch to celebrate this significant anniversary within their own community. The Museum, along with its branches, is our treasure. It is the only one of its kind in Canada, and we very proudly proclaim 2011 an important year in its history.
